With Delta Dental, your child will get dental services to keep their teeth healthy.

Delta Dental covers more lowans and we have more dentists than any other carrier. We are happy to serve you. For more information on your child’s dental benefits through Delta Dental, please visit [www.dwpiowa.com](http://www.dwpiowa.com) or call us at 1-888-472-2793.

## DWP Kids Benefits

Children should start visiting a dentist by their first birthday or within six months of their first tooth. DWP Kids makes it easy to get care, such as cleanings, exams, fluoride, fillings, and even orthodontic services, if medically necessary. Going to the dentist every six months for a checkup is important for a healthy smile and healthy body. If you want to see a full list of services and rights for members, the DWP Kids Member Handbook can be found at [www.dwpiowa.com](http://www.dwpiowa.com). If you would like a hard copy mailed or emailed to you, please call 1-888-472-2793 or email [DWPmembers@deltadentalia.com](mailto:DWPmembers@deltadentalia.com).
